

The Autoclave Specialists

Autoclaves tailored for your needs

Excel Healthcare is a friendly, family run business established since 1983. We aim to supply the most up to date equipment at affordable prices. Our dedicated team work tirelessly on your behalf to provide a knowledgeable and efficient sales and after sales service, helping you to choose an autoclave that best suits your exact requirements. By incorporating into our autoclaves the latest technological advances, we are assured that we are able to supply the most modern and up to date equipment within the United Kingdom. With our total commitment to providing a reliable and efficient after sales service our customers can always feel confident with their purchase.

It has always been our ultimate aim to develop and make available the first touch screen autoclave in the United Kingdom. Due to the advancement of technology we can offer this completely new concept. The interactive display offers a user friendly experience responding quickly to the simplest of touches. What was once a vision is now a reality.

This collection has been designed specifically for the modern healthcare professional. With fast cycle times and single push button start, it's simple operation makes it a popular choice. With temperatures accurately controlled by advanced micro processing technology and a fully independent steam generating system, each sterilisation cycle is guaranteed to produce perfect results each and every time.
