

The Labcold Sparkfree range is engineered to store flammable materials safely with no sources of ignition inside the chambers. Anything that could cause a spark is located outside of the chamber.

**Warning: Do not store open containers of volatile substances in this fridge.**

For extra security all sparkfree models are fitted with a built in lock and digital temperature display. The display features high and low audio and visual temperature alarms as standard in addition to a door open alarm.

## RLPR1517 Sparkfree Refrigerator

| Part Number                 | RLPR1517                                          |
|-----------------------------|---------------------------------------------------|
| Capacity (Litres)           | 439                                               |
| Style                       | Free standing                                     |
| Exterior Dimensions (HxWxD) | 1875 x 600 x 700mm                                |
| Interior Dimensions (HxWxD) | 1724 x 500 x 535mm                                |
| Net Weight                  | 93kg                                              |
| Energy Consumption          | 2.55kWh/24hr                                      |
| Operating Temperature       | 0°C to +10°C                                      |
| Factory Set Point           | +5°C                                              |
| Interior Construction       | Painted Aluminium                                 |
| Exterior Construction       | Painted Steel                                     |
| Door Style                  | Solid                                             |
| Door Hinging                | Right<br>(Can be reversed at time of manufacture) |
| Door Lock                   | ✓                                                 |
| Door Open Alarm             | ✓                                                 |
| Adjustable Shelves          | 6                                                 |
| Shelf dimensions (WxD)      | 475mm x 470mm                                     |
| Fan Circulated              | ✓                                                 |
| Rollers                     | 4                                                 |
| Temperature Display         | ✓                                                 |
| High Temperature Alarm      | ✓                                                 |
| Low Temperature Alarm       | ✓                                                 |
| Access Port                 | ✓                                                 |
| Automatic Defrost           | ✓                                                 |
| 2 Year Warranty (UK only)   | ✓                                                 |
